ANNUAL REPORT

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1978

To the inhabitants of the Town of Rindge, in the county of Cheshire, State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Rindge Memorial School Auditorium in Rindge Center in said Town of Rindge on Tuesday, the 14th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

To choose all necessary Town Officers and School District Officers for the ensuing year.

Polls will remain open until six of the clock in the afternoon.

The Business Meeting will be called to order at seven of the clock in the afternoon to act upon the following subjects:

ARTICLE 1. To hear and act upon the reports of the Selectmen, Town Treasurer, Town Clerk, Overseer of Public Welfare, and reports of all agents, committees and officers heretofore chosen, and act in any way relating thereto.

ARTICLE 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE 3. To see if the Voters will authorize the Selectmen and Town Treasurer to borrow money in anticipation of the collection of taxes for the current year, and to issue in the name of the Town negotiable notes therefore, said notes to be repaid during the current year from taxes collected within the current year.

ARTICLE 4. To see what method the Town will adopt to collect taxes.

ARTICLE 5. To see if the Town will vote that the Selectmen may accept any or all legacies, gifts, grants, and subsidies to the Town in trust or otherwise by any individual or individuals, and to further authorize that the funds may be expended for the purposes stated or take any other action relating thereto.

ARTICLE 6. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, the amount of $ 40,700.00 for the following specific purposes and in the amounts indicated herewith or take any other action relating thereto: $ 13,000.00 for Waste Disposal; $ 8,000.00 for a Basketball Court and Equipment at the Recreation Area and seek matching funds; $ 4,700.00 for Fire Department Equipment; and $ 15,000.00 to supplement the Oil and Solvay account.

ARTICLE 7. To see if the Town will authorize the withdrawal from Surplus Funds of the Town the amount of $ 50,000.00 to be used for the following specific purposes and in the amounts indicated herewith or take any other action thereon: $ 40,000.00 to be placed in the Capital Reserve Fund for Highway Equipment for a front-end loader; $ 10,000.00 to purchase a Brush Chipper and any balance to be used on Summer Maintenance of the Highway Department.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of $ 5,000.00 for crushing gravel to be used on new construction and/or reconstruction.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of $ 60.00 for the use of the Rindge Conservation Commission.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of $ 3,000.00 for the purchase of a Sander for the Highway Department.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of $ 400.00 for the use of the Rindge History Committee.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of $ 270.00 in support of the Cheshire Hospital.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of $ 2,640.00 in support of the Monadnock Community Visiting Nurse Association.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of $ 1,100.00 in support of the Monadnock Family and Mental Health Service.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of $ 1,547.68 in support of the Southwestern New Hampshire Regional Planning Commission.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of $ 710.00 in support of the Monadnock Region Association.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of $ 3,000.00 for the installation of and/or repair of Dry Hydrants.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of $ 2,300.00 for the purchase of suction hose, valves, adapters and a smoke ejector for the Fire Department.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of $ 1,800.00 for an Energy-saving Study of the following municipal buildings: Fire Station, Highway Garage, Library and Town Office.

ARTICLE 20. To see if the Town will vote to authorize

the Selectmen to sell at Public Auction property acquired by Tax Sale; and to dispose of or sell surplus personal Town property.

ARTICLE 21. To see if the Town will vote to authorize the printing of Reports of the Trustees of Trust Funds in summary form in the annual Town Report rather than in full detail, except that in the year in which Trusts are created, then names of the donors and the value of the gifts shall be printed.

ARTICLE 22. To see if the Town will vote to reopen, as a Class V Highway, a portion of the Hog Hill Road, so-called, described as follows: beginning at the Fitzwilliam-Rindge town line and running easterly to the residence now or previously of James Agnelli, a distance of 1,450 feet.

ARTICLE 23. To see if the Town will vote to rescind any and all previous action in regard to Street Lighting in the Town of Rindge, and authorize the Board of Selectmen to remove, replace and/or update the Street Lights within the Town or take any other action relating thereto.

ARTICLE 24. To see if the Town will vote to reactivate a 5 member Dump Study Committee, to be appointed by the Board of Selectmen, to study Waste Disposal and recycling.

ARTICLE 25. To see if the Town will authorize the Board of Selectmen to engage a private auditing firm to audit the Town books and records annually or take any other action relating thereto.

ARTICLE 26. To see if the Town will vote to amend the Article voted at Town Meeting of March 4, 1974, establishing a Budget Committee for the Town, by adding a second paragraph thereto, reading as follows: "After the Town Meeting of March 14, 1978, the following procedures shall be observed, in lieu of anything to the contrary contained in the first paragraph of this Article.

1. The Budget Committee shall hold a Public Meeting in January to discuss the fiscal problems and probable budget of the Town for the coming year.
2. The Budget Committee shall review the budget requests of the various Town Departments or committees with the heads of such departments or committees, and shall review the budget and special articles proposed by the Selectmen with the Selectmen.
3. After the reviews decribed above, the Budget Committee shall prepare its report, to be published in the annual Town Report.
4. At least two weeks prior to the annual Town Meeting the Budget Committee shall hold a Public Hearing at which its report, and any other comments it may make in writing, may be discussed.
5. At least two weeks prior to the respective dates fixed for the two Public Meetings described above, a notice of the time and place of each meeting shall be posted at the Town Hall and a copy of same shall be published in a newspaper having general circulation in the Town of Rindge.
6. The Budget Committee and Selectmen shall meet at least

one other time during the Fiscal Year, not earlier than June 15th nor later than August 1st, to review with the Selectmen the current year's budget as to progress and to consider or take under advisement any further monetary problems that may be arising.

ARTICLE 27. To see if the Town will vote to accept $ 300.00 in full satisfaction for all damages occasioned by required taking of .34 acre of land on Map 6 Lot 8 for highway purposes, with all rights of access, air, light, and view appurtenant thereto, and to execute when tendered, a deed, to The State of New Hampshire for land affected by said highway as shown on a Plan entitled RINDGE P-R42 of the Department of Public Works and Highways. This pertains to land taking on the proposed Route # 202.

ARTICLE 28. To see if the town will vote to agree to plow private roads (not private driveways as mentioned in Article 24, town report of 1972) or take any other action relating thereto. (BY PETITION)

ARTICLE 29. We, the undersigned registered voters in the Town of Rindge, respectfully request that street lights be installed on North & Bancroft Streets in East Rindge, starting at North Street Bridge. (BY PETITION).

ARTICLE 30. To see if the Town would choose to elect a board of three qualified assessors by ballot vote or take any other action relating thereto. (BY PETITION).

ARTICLE 31. To see if the Town would choose to elect its Road Agent by a Ballot Vote, rather than by appointment, or take any other action relating thereto. (BY PETITION).

ARTICLE 32. To see if the Town will vote to accept Jowders Road and Blakeville Road of the Jowders Cove Development as public highways. (BY PETITION).

ARTICLE 33. To see if the Town will vote to eliminate elected officials of the Town from doing other than their elected duties for the Town unless such work is put out for bid. (BY PETITION).

ARTICLE 34. To see if the Town will vote to have persons serving on the Board of Adjustment elected at the regular Town Meeting. (BY PETITION).

ARTICLE 35. To see if the Town will vote to have persons serving on the Planning Board elected at the regular Town Meeting. (BY PETITION).

ARTICLE 36. Shall we adopt the new provisions of RSA 72:43-c relative to expanded exemptions on real estate for the elderly; changing the eligibility requirement that a person may own no more than $ 35,000.00 in assets of any kind to a requirement that a person may own no more than $ 50,000.00 in assets of any kind. (BY BALLOT).

ARTICLE 37. To see if the Town will vote to amend the

Zoning Ordinance of the Town of Rindge as proposed by the Planning Board and printed as follows:

" Are you in favor of adopting the following amendment to the Rindge Zoning Ordinance, namely, the addition of Section F to ARTICLE III?

F. The Planning Board may approve planned unit residential developments in which the density or intensity of land use and frontage may vary from the provisions of this ordinance.

1. It shall consider the following:
   a. the amount, location, and use of common open space
   b. the location and physical characteristics of the site.
   c. the location, design, and type of dwelling units.
2. A planned unit residential development shall be of a tract of land of at least six (6) acres.
3. The total density of land use shall not exceed that which would be allowed for the entire development if all the land involved were to be devloped in the conventional manner of dividing the entire tract into individual lots.
4. Subdivision regulations of the Town of Rindge and specific regulations for planned unit residential developments adopted by the Planning Board shall apply to planned unit residential developments. (BY BALLOT).

ARTICLE 38. To take up any matters that may properly come before this meeting.

Given under our hands and seal this 7th day of February in the year of Our Lord nineteen hundred and seventy-eight.

BUDGET COMMITTEE REPORT

The Rindge Budget Committee feels that its main emphasis is to work with the Selectmen and the various department heads to present a working budget to the Taxpayers of Rindge. We feel it is not our responsibility to prepare budgets, but only to review and make recommendations. This year we would like again to thank the Selectmen and the department heads for their excellent cooperation. We would like to point out to the people that there were some overdrafts,for the most part everyone lived within their budget and that department heads did not just spend for the sake of using up their budgets. We feel, that in the case of the Fire Department overspending, it was accountable because it was basically in salaries, which was reflected in the number of fires. The 1978 Budget we think takes this into account in an increase in the salary amount.

One of the most unpredictable items in any Town Budget are the accounts that deal with any form of energy or fuel. We particularly speak of fuel for the town vehicles and the heating of Town Buildings. The Highway Department purchased a new diesel truck which received twice the mileage per gallon as a conventional gasoline powered vehicle. We feel this is a step in the right direction. Further, it is our understanding that the Selectmen are inserting an article in the Warrant to conduct Engineering Studies of the various Town Buildings in order to further economize energy. The Budget Committee endorses this approach as pointed outin last years report.

The Budget Committee spent much time with the Selectmen discussing the Town's Solid Waste Disposal problems. We endorse the approach the Selectmen are taking concerning this problem. We feel that at this time we should take the most economical stop-gap measure possible. The proposal as presented by the Selectmen we agree to. It is felt that sometime in the near future a regional approach to Solid Waste Disposal will be presented that will be a much better solution to the problem than any that has been presented thus far.

The Budget Committee with the agreement of the Selectmen is preparing an article to be inserted in the Warrant. We feel that the article from which the Budget Committee was formed was unrealistic. The original article stated that the Budget Committee shall hold a Public Hearing in the month of January. The Committee feels that this is impracticable in that we and the Selectmen do not have time to properly study the previous years expenditures, meet with the Department Heads, review the Budgets and make changes within this time element. Also it is felt that in the case of this year with Town Meeting so late, an early Budget Hearing has no impact. We are also requesting authority of the Town to meet mid-year in order to review the financial status of the town.

We are again emphasizing the need to review the Street Lighting in the Town. We feel that there are many lights not needed and perhaps some locations that should have them. With the increased cost of electricity, this is one more possible savings to the town.

We feel that our position is the study of the Line Item Budget for the Town which in itself encompasses much more than just a looking at what is spent. We use as an example the on-going study of energy savings, Solid Waste Disposal etc. We have now compiled past figures on a year to year basis so we can better equate spending so that as we study the Budget it becomes more meaningful. We want to again point out that while we are mainly concerned with the Line Item Budget we also try and look at the Town's entire financial picture. In particular we would like to point out our concern for the large surplus in 1977.

In closing we would like to point out that our Town, we feel, is in excellent financial condition. Further, we feel all the departments are attempting to live within their budgets. However, we also feel that the Town must continue to recognize the need to be frugal and look for the best way to perform as well as to plan for the future.

Respectfully submitted

AUDITORS REPORT

For the Fiscal Year Ended December 31, 1977

TO: Town of Rindge, Board of Selectmen

The report of the audit of the financial records and books of the Town of Rindge has been completed and submitted to you, as well as to the Department of Revenue Administration, Concord, New Hampshire.

Our examination was made in accordance with generally accepted auditing standards, and per instructions from the Department of Revenue Administration, of all accounts, records and investment of the Town of Rindge for the fiscal year ending December 31, 1977.

This is to certify that to the best of our knowledge and belief, the financial statements and balances examined reflect the true financial condition of the Town of Rindge, for the period under review.

We wish to thank the officials of the Town for their complete cooperation and courtesy during the audit period.

Respectfully submitted,
Eleanor M. Dussault

INGALLS MEMORIAL LIBRARY

Report of the Trustees 1977

1977 has seen a number of improvements made both inside and outside the Library building. The diseased elm trees in front of the Library have been removed and plans made for plantings. A light pole has been installed to light the front of the building. In the parking lot a delayed timer allows people to leave the building at night with the lights still on. Railings have been placed along the walk from the parking lot to the Library and in front of the building. A much-needed renovation in the workroom has been completed. Storage shelves have been erected in the basement. No smoking areas are now posted in accordance with state law. The policy for the Meeting Room was reviewed, revised and posted. Use of the room, including kitchen privileges, is now free for town organizations. The fee of $ 10.00 for private citizens and outside organizations remains the same.

This past summer the Saturday hours of the Library were changed permanently from afternoon to morning. The Library desk is covered on Saturdays by volunteers, and the Trustees are very grateful to them and to Mrs. Arthur Chase who arranges the schedule.

The stock shares from The Monadnock Bank and gifts so designated have been turned over to the Trustees of Trust Funds for the Ingalls Memorial Library. The income from these holdings is used to augment the Town appropriation.

The Trustees are very appreciative of the assistance, both financial and otherwise, of the Friends of the Library, under the chairmanships of Gail Smith and Marabeth Farmer. This year the Friends instituted a paperback sharing program and directed the layout and printing of a road map of Rindge. The Annual Library Flea Market was run under the auspices of the Friends.

A successful story hour program has been carried out by volunteers from the Woman's Club. Our thanks go once again to Miss Ella Connell who has been such a faithful treasurer for many years.

The Trustees are most grateful to our dedicated Library staff, Mrs. John Sampson, Mrs. Ralph Green, and, Mrs. Edward Brummer, and our custodian, Mr. Ralph Green, who continue to give so freely of themselves and their time, insuring that the Library remains a source of pleasure and edification to all of Rindge.

ANNUAL REPORT OF THE LIBRARIAN

The year 1977 has been a busy, fast moving one for your library. Many new books have been added, a paper back book exchange instituted, and a fine new working area built, for the convenience of the staff.

The personnel remains the same with your librarian and Mrs. Laura S. Green, first assistant librarian,accredited librarians in the state, and Mrs. Margaret S. Brummer, second assistant librarian, working for her accreditation.

The greatest strides have been made in the Children's Department, with Mrs. Brummer in charge. Her report follows:

Mrs. Brummer's report for January 3, 1977 to December 31, 1977-Starting with a movie on the first Monday of the New Year and one scheduled for the first Monday of each month thereafter of the school year through December 31st. There were 27 Story hours with an average attendance of 20 children each week. A total of 543 for the year excluding the summer reading program.

We were very fortunate to have Mrs. Marion Austin of the Educational Dept. of Franklin Pierce College with us for the final story hour in May. Sincere thanks are expressed to her and also to Frank Pinkham of the Rindge School Art Dept. for his cooperation in having the children make mobiles in recognition of Children's Book Week last April.

The summer reading program titled, "Horse Steeplechase", got off to a good start with 29 children registering and receiving their plastic horses. The diorama used for the steeplechase course was made and kindly loaned by Mrs. Patty Packard, librarian of the Nelson Library. Each child proceeded over the obstacles according to the books read in the required categories. Ribbons and certificates were awarded during a party featuring the Poor House Puppets of Rindge. Also, during the summer, Mrs. Brummer initiated a Saturday morning interest hour. Several residents gave of their time and talents to the children working with paper crafts, origami, wood etching, art and ponies and to them we express our sincere thanks.

Library activities started in the fall with a Faculty Tea to which all teachers in all educational facilities in Rindge were invited. The response was pleasing as were the lovely refreshments provided by the Friends of the Library.

Story Hour for the new year began on October 3rd under the aegis of Laura Henrikson of the Rindge Woman's Club, coordinator of the readers for the year. Mrs. Brummer and your librarian wish to thank the Woman's Club, Mrs. Henrikson and all the volunteer readers for giving of their time and providing refreshments each week.

During National Book Week in November a Book Mark Contest was held for all the children attending Rindge Memor-

ial School. Prizes were awarded with special recognition going to the fifth grade.

Those children attending the Christmas Party on December 19th were privileged to hear Elizabeth Yates, noted childrens author, read some of her favorite Christmas stories and to talk with her.

Total story hours 27 and total number of children attending 543. MSB

The Friends of the Library have been most helpful by conducting a successful flea market and providing refreshments on many occasions.

Mrs. Gail Smith and Mrs. Dale Burnett devised and had printed 2,000 up-to-date maps of Rindge. We also wish to thank Mr. Peter Anderson, Road Agent, and Mrs. Mabel Speckman of the Town Office for their assistance. Copies will be available at the Town Meeting.

We have registered 142 new borrowers. The Bookmobile has continued to provide us with extra books. (See Book Stock). The Meeting Room has been used 119 times. The two museums have attracted many visitors, under the supervision of Mrs. Clara Seymour. The Saturday Volunteers, under the direction of Mrs. Elsie Chase, have provided extra hours for the library to be open to the public. Mr. Ralph Green continues as our helpful, efficient custodian.

Helen Hayes in the Reader's Digest: "Take one brisk walk to a library. Take out any book by a tried-and-true writer, Take a brisk walk home and read with all attention. The exercise plus the tonic of the book will provide all physical and mental requirements for good health."

Respectfully submitted,
Elizabeth W. Sampson, Librarian

ANNUAL REPORT

RINDGE CONSERVATION COMMISSION - 1977

During 1977 the Rindge Conservation Commission sponsored the Audubon films, Me and My Marsh and So Little Time to raise funds for the "Save the Elm Project". Since this program was so well received, additional film evenings of an educational and aesthetic nature are being planned.

Members of the Commission assisted in injecting Town elm trees with Lignasan to protect them from Dutch Elm Disease. They also planted ten disease resistant trees which were donated by the Elm Research Institute. These may someday enhance the Town Office Building.

The Conservation Commission arranged to send two Rindge girls, Pamela Boice and Tammy Goodwin, to Conservation Camp in June. The Commission is very grateful to Mr. and Mrs. Ed Stevens of Ed's Auction and to Bob Allen representing the Monadnock Bank, each of whom sponsored a full scholarship. Their generosity enabled the girls to learn from State Conservation leaders in the beautiful, natural setting of Spruce Pond.

SELECTMEN'S REPORT

In 1977 the majority of our time was devoted to the reassessment of Rindge. There are approximately 1,400 buildings in Town (725 Resident and 675 Non-Resident) and 2,050 parcels of land (910 Resident and 1,140 Non-Resident); which means that each Building Assessment cost about $ 17.00 and the land valuation was about $ 3.00 per parcel. The main point to remember is that it was a Mass Appraisal and there are bound to be some errors. Many computation errors and physical errors were changed in 1977 and in 1978 the cards will be reviewed and more errors will be corrected, some valuations will increase and other will be lowered. The biggest source of complaints was in the land values, being a town on the Massachusetts border there was an inflationary factor built into the land value and also, each improved lot has the price of putting in both a water source and septic system which raises the price of the first acre of land. For the first time in Rindge History we have detailed cards of each building, including a sketch with the outside dimensions, description of the building construction, dimensions of extra buildings on the lot, and a breakdown of the land valuation. We also have three (3) reference manuals to refer to when checking the current cards or to get base prices for new and additional construction. Prior to the reassessment the State of New Hampshire had Rindge valued at 39%, the net increase in valuation was 28,450,332. or approximately 2½ times greater than in 1976, which figures to 40% and so the two figures are almost identical.

Through the use of Revenue Sharing Money and the Capital Reserve Funds we were able to purchase a new Fire Truck and a new Highway Dump Truck-both of which are much more effective and efficient than the previous trucks. Due to State and Federal guidelines we were forced to close the Rindge Open-burning Dump according to their specifications. We are now in a transition period, and the cost of Waste Disposal has substantially increased due to the State and Federal regulations.

The first phase of the Recreation Project on Wellington Road has been completed and the Recreation Committee has many plans for 1978. We hope the people of Rindge will use the various areas-the playground, picnic tables, ballfield, and the horse-shoe pits-and further hope that they won't abuse the area and will put their trash in the proper receptacles.

We want to remind the Residents of Rindge if they are eligible for any exemptions such as Expanded Elderly, Blind, Veteran's etc. they must file for them prior to April 15, 1978. Also Residents and Non-Residents must file Current Use Applications by April 15,1968. According to a new State Law, there will be a penalty if the Inventory of Taxable Property for 1978 isn't filed, and, also a penalty if it's filed after April 15, 1978. So, please file all your necessary papers promptly.

For the second year in a row we have ended with a surplus. We used some of the 1976 surplus to defray taxes which we plan to do again with some of the 1977 surplus.

ANNUAL REPORT

We wish to thank all the town officers, employees, board members, town counsel, and all the committees who have worked hard to make things run smoothly over the past year. Special thanks go to our secretary, Mabel Speckman, who does all our paperwork, reminds us of appointments, and somehow manages to get the Town Report all typed and to the Printers on time. There are many dedicated people in Rindge and we are indeed fortunate that so many are willing to serve which adds much to the enoyment of life in Rindge.

WELFARE OF THE COMMUNITY

Again this year we have an increase in calls in about all categories. Increases in population and transportation thru the Town and the fact more wood burning stoves are in use have caused the calls to increase.

This year the new truck was placed in service. It is equipped with a large diameter hose reel, loaded with 4" hose, also it has an air cascade on it which enables us to fill our Scott Air Paks with air at the scene of a fire. Other equipment on it includes ladders, Air Paks, a 500 gal. water tank, additional hose and related tools and equipment which make it a first line attack truck.

We are still working on an expanded fire prevention program, along with a continuous training schedule in fire fighting, first aid and rescue work.

The Department wishes to thank everyone for their support which enables us to serve the Town of Rindge.

Respectfully submitted,
Walter J. Young, Chief

REPORT OF THE ROAD AGENT

1977

The Highway Department has accomplished two major road projects- 3,400 feet on the Abel Road and1,600feet on the Davis Crossing Road. The work done on these roads consisted of widening, placing new culverts, graveling and a surface treatment. This work was funded with TRA, summer maintenance appropriation and the greater portion of the Highway Subsidy Funds.

Summer maintenance was expended on Spring clean-up, grading, ditch cleaning, road-side brush cutting, replacing culverts, patching, and equipment repair etc. Also the widening and graveling of several Class V dirt roads where new houses have been built. The several thousand dollars which was used on these roads was not figured in the 1977 Budget for maintenance and cannot be figured until the Building Permits are issued. With the Town growing at the rate it is, with more mileage on Class V roads that have to be maintained year round, the portion of Rt. 202 from the Mass line to Rt. 119 that will be Town road in the next few years, and the many portions of private roads that will not be brought up to Town specs and asked to have requirements waived for acceptance by the Town, will bring a large and steady increase to the Highway Department Budget every year. I would like to point out that the Town has approximately 62 miles, at the present time, of Class V roads- approximately 45 are paved. In the past year and in the proposed 1978 line item budget the increase is less than the rate of inflation, or about 3%. One other item is the money that the Highway Department receives through the sale of materials, services and permits that is not allowed to be put back in the department's budget for operating expense; if this money was applied back to the department budget, then the Highway Department would have more money to operate on and less chance of an overdraft.

The winter maintenance was expended on plowing, treating, road side cutting of approximately 50 miles of road. Cathedral Road which is a Class III (or State Road) receives several thousand dollars every year from the Town winter appropriation for maintenance. We receive no funds from the State for this service.

The Oil and Solvay appropriation was expended on the following roads: Abel Road, Davis Crossing Road, and the Recreation Area parking lot for penetration and seal coat. Seal coats were given to the following roads: portions of Woodbound Road, Old New Ipswich Road, Cutter Hill Road, Robbins Road, Abel Road and Lord Brook Road. Again, we have used a Pugg Mill to mix material and this material was used for Lord Brook Road, Cutter Hill Road, Old New Ipswich Road, Woodbound Road and for patching material on all roads. Hopefully, in the coming year the oiling will be done in the early summer so that we don't run into the cold and wet weather of late summer and early fall as happened in 1977.

Parks and Playgrounds funds were expended on the mainten-

ance of our commons, Town Office and Lirbrary grounds; also the mowing of the grass at the Recreation Area. The Highway Department in the past two years has started a fertilizing program for trees around the Center Common and hopefully we will replant trees where older ones have been removed.

The cemetery funds were expended on the care of Hillside Cemetery, Old Cemetery (next to the Church) and the Robbins Cemetery. Most all of the lots that were in need were reloamed and seeded in Hillside Cemetery, and the lots were started on in the Old Cemetery.

The Dump funds were expended on the pushing back and graveling from January 1 through July 1, and the balance was on the aggreement with the Town of Jaffrey for the use of their Landfill facilities. At this time, I feel that an active Dump Study Committee should be formed to see which way the Town should be considering for Rubbish Removal in the coming years. This Committee, hopefully, would get us out of the problems Rindge and surrounding Towns are having today.

Other activities that the Highway Department performed were: the redecking and new railing of the North Street Bridge. After the completion we were able to widen the Bridge approximately 3 feet and give the bridge a safer load capacity.

For the first time, the Department has received Federal Excess Property. We received the following equipment: a 4-wheel drive Jeep and a Tag-a-long trailer, which is used in the parks, playgrounds and the cemeteries; a Case Tractor used for pulling the Grace Broom, Brush Hone, Roller and York Rake; a GMC 10-wheel, all wheel drive Truck which will be used for a water truck and transporting materials to and from jobs; and a LeRoy Air Compressor.

Also, I would like to thank the many people who gave their assistance to the Highway Department in the past year.

Respectfully submitted,
Peter J. Anderson
Road Agent

RINDGE PLANNING BOARD 1977

In 1977 the Rindge Planning Board held 13 meetings, 10 hearings and 3 workshops.

In April, Stephen W. Gray and Archie L. Lafreniere became members of the Board. Carlton G. Dingman resigned as Chairman in August, and from the Board in September. Arthur E.W. Pyhala became Chairman and Carl J. Wisnosky joined the Board.

The Board is currently concerned with the formulation of a master plan for Rindge. It exists solely for the purpose of protecting and promoting the interests of the Town of Rindge and its residents, and to be successful in this, it needs the active participation of the townspeople. The Board therefore urges the public to attend meetings and hearings and to make comments and suggestions at any time.

ANNUAL REPORT

RINDGE RECREATION COMMITTEE

1977 ANNUAL REPORT

The past year was an active and successful year for the Recreation Committee. It was also a year of learning since the 1977 Committee was composed of all new members. Early in the year it was decided to forego hiring a part-time Recreation Director although funds for this were approved at the March '77 Town Meeting. This decision placed the burden of directly running all activities, except the Summer Recreation Program, with the Committee. In meeting this challenge the Committee members spent a considerable amount of their time in planning and directing these programs. The time and efforts volunteered by many community members was also important to the success of these activities.

During the year, the Committee established working relationships with both Franklin Pierce College and the Jaffrey Recreation Committee. This resulted in use of FPC facilities for several programs and the future potential use of FPC students as aides in directing 1978 programs. Several meetings with the Jaffrey Committee were held to discuss mutual problems with the main item being the non-resident surcharge which they have instituted. Also, the Rindge Committee decided not to enter into a formal two-town Recreation Program with Jaffrey at this time.

As far as specific programs are concerned, the Summer Recreation Program was very successful with an expansion of enrollment of around 20% over the previous year as well as an increased number of activities for the kids. The success of this Program was due in large part to Kathy Skolnicki and her assistants. Bus pick-up and drop-off was also initiated for the '77 Program and was well received. Other 1977 activities included: Spring Clean-Up Day (jointly with Boy Scouts) -- Red Cross Swimming Program -- Summer Band Concert --Deep Sea Fishing Trip -- Fall Turkey Shoots --Teen Dances --Rindge Homecoming Weekend (jointly with Fire Dept.) -- Sliding Party.

Another activity in which the Committee and other volunteers invested considerable time and labor was construction of a playground, picnic area, horseshoe court and nature trail at the Recreation Field. The playground was completed and in use in early fall and work well underway on the other areas with a planned completion in Spring of '78.

Financially, the Committee expended about 90% of available funds which included the $ 4,500 appropriated at the March '77 Town Meeting as well as the $ 700 donated by the Rindge Woman's Club.

The most important activity in closing out the year, was the Committee's planning for 1978. Plans include many new programs as well as repeating many of '77 successful activities. It is hoped to make full use of the Recreation Park in 1978, which would include softball and Little League Programs and to expand this facility at a moderate rate.

As a final item, the Committee would like to extend its thanks to Franklin Pierce College for use of its facilities and the Rindge Woman's Club for its continued moral and finanical support and especially to all those community members who provided encouragement, advise or donation of their time to help us make 1977 a worthwhile year.

RINDGE HISTORY COMMITTEE

REPORT FOR 1977

The History Committee purchased the much need file for the additional historical information that has been gathered during the past year.

Presently the Committee is working closely with a committee from the Historical Society headed by David Crocker which is making further preparations for the writing of a Rindge History. All interested persons are urged to contact the committee.

JAFFREY-RINDGE SCHOOL DISTRICT

Because Jaffrey-Rindge salary negotiations are not complete as of January 27, 1978, it is not possible to include a Jaffrey-Rindge Budget in the Town Report. A public hearing on the budget will be held Wednesday, February 15, 1978, and the school district meeting will be held on Wednesday, March 22, 1978. Both meetings will be held at the Ernest J. Pratt Auditorium. The School Warrant will not be available until after the Jaffrey-Rindge Board meeting on February 20, 1978.
